

Garfield County Air Fair 2009 Sponsorship Packages

Thank you in advance for your sponsorship. Following you'll find the sponsorship packages available, each with a brief description. The bulleted items are the tangible benefits you'll receive. Not itemized are the intangible benefits: increased business through recognition and appreciation, give-back to your community, and paying forward our next generations of citizens who learn and benefit now from their visits to the Garfield County Airport on school fieldtrips and who learn about the history and future of aviation through activities at the Air Fair. When your marketing team is looking for an opportunity to reach the loyal consumers of Garfield County, just say: "Request Rifle! Sponsor the Garfield County Airport Air Fair!" (Note: see description of fulfillments and other details at the end of this document.)

The Custom Package TBD

This sponsorship package is available to all, but is primarily designed for those who have sponsored the Garfield County Air Fair in previous years. For these previous-year sponsors, this year only, we'll roll over a 2008 sponsorship package for 2009. For other sponsors, who have not previously supported the fair, we are happy to design a customized sponsorship that fits your marketing goals, budget and your vision of the best way to support the Air Fair.

Sponsorship Benefits Fulfillment Information

Custom Sponsorships: Don't find something in the preceding packages that's an ideal fit for you? No problem! Just call Pat or Michele at (970) 241-7992, and we'll customize a sponsorship package to fit your needs!

Constellation/B-25 Flights: Depending on demand and availability, we will book either the Constellation (40-person capacity) or B-25 (8-person capacity). These flights are tentatively scheduled to leave Denver Centennial Airport Thursday, August 13th at noon (lunch on aircraft) and arrive in Rifle at 1:30pm, and depart Rifle Sunday, August 16th and arrive Denver Centennial Airport at 10:30a.m. (Schedule subject to change with notice.) Please note that the sponsor is responsible for making all travel arrangements to and from flight destinations, as well as any accommodations related to the trip. Additional tickets can be purchased for \$625-\$1500 depending on sponsorship level; if you want to purchase extra tickets for these flights, please let us know ([970] 241-7992 or pat@lcmarketingdesign.com) ASAP – additional tickets will be held for you on a first-come-first-serve basis, and payment for them will need to be included with your sponsorship contract and check.

Sponsors, Air Fair Ambassadors and Media Program (Media Tent): This year sponsors will have many press opportunities. We'll have media in the press tent pre-air show both days (and can arrange special off-site interviews before and after the air fair), doing live and for-print interviews with sponsors, their fair ambassadors and other constituents. Sponsors will also receive mention in print, radio and any other means of advertising as described in each of the preceding sponsorship packages.

Your Company at Area Businesses Program: This fulfillment achieves two important goals. It establishes your company in the community as a supporter of the community, while also publicizing the Air Fair. In this program we take a crew of young folks to a major traffic outlet (i.e. Wal-Mart, Home Depot, etc.) where they hand out giveaways that are joint branded with your company contact info and logo, as well as the dates, time and website link for the Air Fair. The crews will be dressed in flight suits with your logo back and front, and their table banner will have your logo and Air Fair information co-joined. The larger your sponsorship, the higher the traffic area we choose for your company's presence.

Parade of Sponsors: At the opening of the air show both days of the Air Fair, a member of our Company at Area Business Program crew will sport your logo in a parade across the tarmac. During this parade, the announcer will speak briefly about each sponsor's contribution and thank them for it.

Prize for Drawing: In this program, the sponsor delivers a prize to the airport which will be awarded in a Saturday drawing during the air show break. People enter the drawing by going to the sponsor's place of business in the weeks prior to the Air Fair and submitting their entry.

Banners: We offer the free service of designing your banner for you (if you don't have a design). We will then assume the cost of manufacturing and placing the banners, and keep them for future events or give them to you to use as you see fit.

Food Vouchers: Each voucher has a value of \$5.00 and is redeemable with any of the Air Fair food vendors.

Vendor Area: Vendor space is valued at \$250 per 10'x10' area. Higher dollar sponsors are invited to set up a vendor area for the duration of the Air Fair per the specifics in each preceding package.

Silent Auction Items: Must be shipped or delivered to the Garfield County Airport, at the sponsor's cost, and be received by August 1, 2009. Please deliver item(s) to: Garfield County Airport, Janet Samson or Brian Condie, Garfield County Regional Airport, 0375 County Road 352, Building 2060, Rifle, Colorado 81650 ([970] 625-1091).

Exclusivity: Garfield County Air Fair has adopted a non-exclusivity policy for sponsorships in order to finance the event through these challenging economic times.

Note: The Garfield County Airport Air Fair Management Team strives to add and improve fair features right up to the day the gates to the Air Fair open to the general public; because of this, some events may be added or changed, without notice. We appreciate all our sponsors' commitment to our commitment to making the Garfield County Airport Air Fair the best it can be. Thank you.
